General Assembly

By: Rachel Liu

During this GA - planned by the wonder Board of Student Leaders - surrounding the theme of student involvement, student delegates of WCPS gathered to gain intel in order to better their own student councils. Major subjects contributed at this GA include...

We congratulate all candidates for their participation and amazing performance during the Q&A and campaigning. **2nd Vice President Elections** conclude with Swarit Upadhyay being selected to serve on the WCASC BOSL for the 2024-2025 educational year. We are so happy for Swarit to be representing middle school students on the Board!

Some notable ideas shared among student councils during the **Hall of Ideas** include the North Hagerstown High Club GA (all school clubs assemble to enhance leadership abilities and to foster student unity), and Williamsport High's "Flowers for Teacher Appreciation" activity. WCASC President Barna Begzad hopes these ideas will be spread to all student councils across WCPS in order to promote student involvement and proactiveness in their school environment.

Our **Holiday Card Making** service project - operated by the Special Issues Committee - generated a whopping total of 147 cards for Meritus hospital. Great thanks to everyone who participated!

Pacesetting Leadership

Achieves goals quickly and setting a high bar can lead to excellent results. Pacesetting leaders create a goal and a steady plan that will lead their team to greatness. We hope all student councils set a goal for this new year and strive to represent WCPS proudly.

Moments to Remember

*Caiden Ogden, Division 1
Division Liaison speaking to
Washington County Delegates*

*Swarit Upadhyay being
elected 2nd Vice President*

*Daphne Wang (student member
of the board) and Shradha
Bista (MASC President)*

New Years Affirmation

By: Rachel Liu

New Years is a time of change and the chance to a fresh start! Welcome back from your wonderful Winter Break! Let's take a moment to celebrate all your student councils incredible hard work through engagement in student activities and demonstrations of school spirit. Without a doubt, student councils are an important part of community cohesiveness and it is important to aim high when spirits are high.

Remember to take challenges and build a stronger bond with the community within your student council and others in the county. Your leadership matters and WCASC encourages you to take every chance you can in order to foster a sense of responsible leadership within your school.

Within the snowy storms of this New Year it is important to remember your influence on your fellow students and be sure to take advantage of all the opportunities 2025 holds!!!
