# WCASC President's Report

By **Torin Malott, 11th Grade**

**December 10, 2025**

I can report that WCASC has continued to expand our horizon of opportunities and initiatives. From the Fill The Bus Donation Drive, creation of our WCASC Pins from our brand new Finance Committee, and beyond, the BOSL has worked tirelessly on bringing forth the latest and greatest to our student leaders of Washington County.

The Legislative Committee has begun their planning for advocacy day.

The Community Outreach Committee has updated the website, created multiple newsletters, and regularly posted on our instagram.

The Peer Wellness Committee has continued to plan a variety of donation drives and initiatives.

The Finance Committee has begun brainstorming fundraising ideas and already expanded our merchandise options.

The BOSL has met 4 times since our last General Assembly and made great progress in our plans not just for this general assembly but for the success of our committees. Finally, I have created a new stream of communication, our google classroom, for all of us to be able to directly contact one another and regularly send reminders, updates, and provide easy-access to general WCASC resources.

# WCASC 2nd VP Report

By *Harlow Higgins, 8th*

Hi everyone!

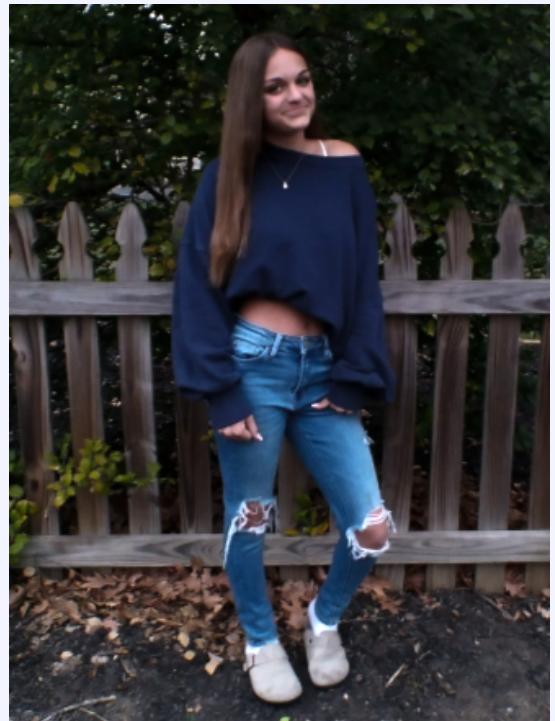

My name is Harlow Higgins, and I'm so happy to be the WCASC Second Vice President for the 2025 to 2026 school year. Currently, I am the President of the Student Government Association at Northern Middle School. I hope to make this year great by working with everyone to make sure all students have a say in things going on within the county.

As the Second Vice President my job is to make sure the voices of middle school students are heard. I want to help middle school and high school student councils work together better. I think it is really important that middle school students feel like people are listening to them helping them and getting them ready for leadership roles to come. WCASC needs to hear middle school voices and I plan to make that happen. Together, we can create a more unified environment that reflects the ideas and needs of students across all grade levels.

I am looking forward to working with you all during the year.

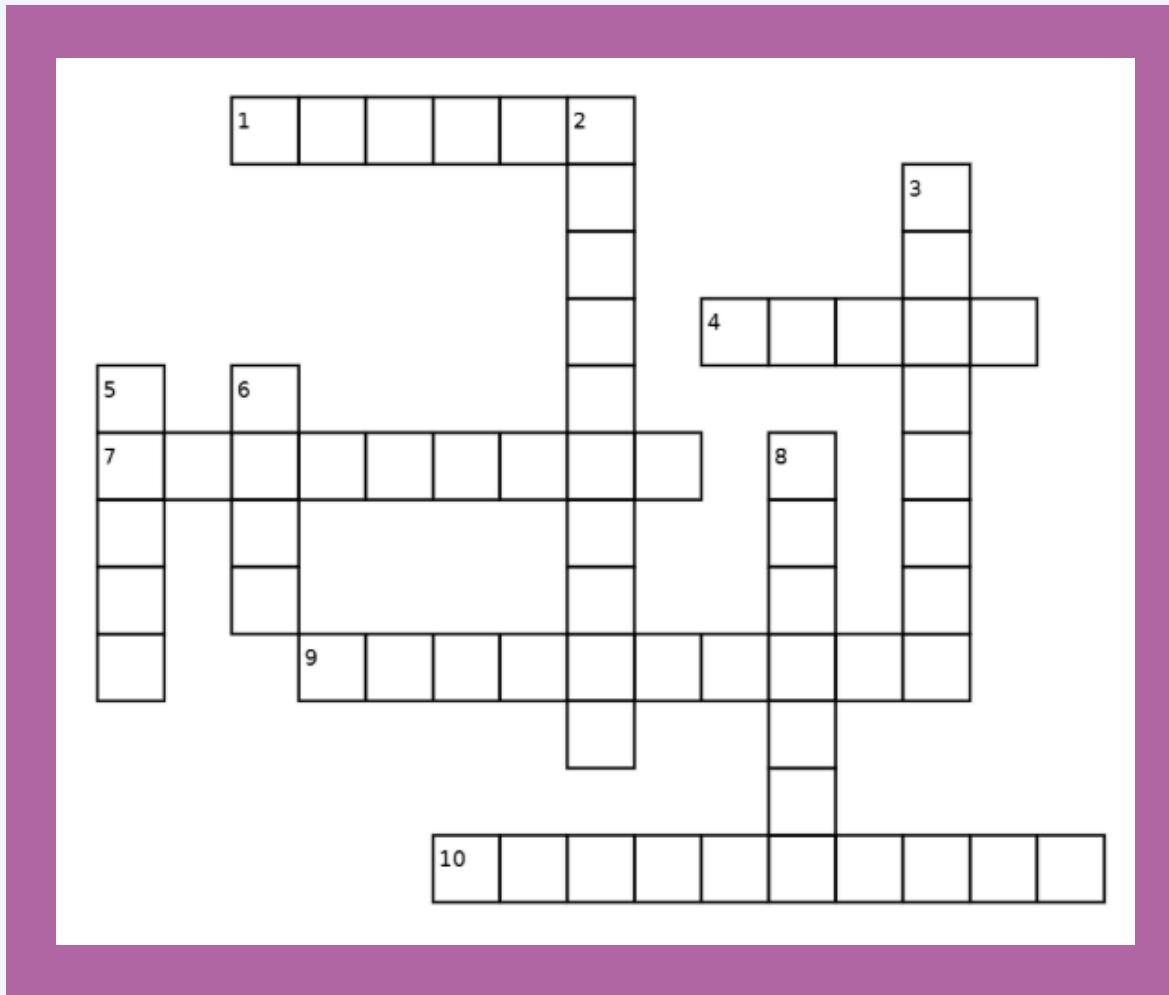

Sincerely,

Harlow Higgins  
WCASC Second Vice President
